What Is in Space?

BY BRIAN AND JILLIAN CUTTING

The sun
is in space.

2

3

The moon
is in space.

The stars
are in space.

6

7

The planets
are in space.

The asteroids
are in space.

The meteors
are in space.

2

13

The comets
are in space.

14

15

The earth
is in space, too.
